Phone: (856) 451-9400 / Fax: (856) 455-8514 / Website: www.crhsd.org

Dear Parent or Guardian,

My name is Mr. Pilla, and I am your student's science teacher at Cumberland Regional High School. I ask that all students come prepared to class on a daily basis. Some essentials that they will need include: a notebook, binder, or folder for organizing notes and a writing utensil (pen or pencil, preferably both). I understand that many of my students have responsibilities that extend past my classroom. I just ask that they take a moment to review what had been discussed in class while they are home.

One of my goals is to vary my assignments and activities so that all my students have the opportunity to succeed. I encourage my students to ask questions and talk to me about their concerns as it relates to the class. During the semester, I will try very hard to grade assignments in a timely fashion and post grades as soon as possible. Please be patient while waiting for grades that can be time consuming like tests and projects.

In conclusion, I wish you and your student a successful and productive semester and school year. If you have any questions or concerns, please feel free to contact me using the contact information below.

Sincerely,

Mr. Jeff Pilla
